

TURFCALL CRISIS APPENDIX B

Succinct Skeleton Part ii

Part ii To Form A New Era or New Millennium Reform Team For the direct purpose to uphold all the rights applicable to each party of this duel partnership between man and beast who compete as one in preparation for the track and competition on the track. This is the key ingredient copyright the very heart of this living product. See Reference Points Turfcall ii Page Two Turfcall Aims and Objectives Specifically Defined.

Further there needs to be formed a New Sport / Industry Watchdog Committee who's task it will be to uphold the rights of both sides of this unique partnership that being of a) the animal and b) the man / woman. Although both these particular tasks as stated in part ii above can only actually be tackled and run properly by those proven and qualified at the top in this sphere, it should infact be of equal concern to ALL PARTIES involved that make up this complex world of horseracing, many of which will be needed to do their bit so enabling this reform to be completed smoothly. Turfcall ii 14.2.2001 has called out right across the board. All are needed to do their bit here without exception, for as long as it takes, to get the true balance back and on the right track and to ensure that this is never allowed to happen again.

When both Turfcall Crisis Appendix B Part i and Part ii

facilities can be organised and put in place the way forward to put in the new foundation structures that will apply can begin. The many already available facilities will be updated where needed and can then click in, active.

The Investors In People Logo needs here to be partnered by a symbol that portrays The Investors in The True Partnership Between Man and Beast.

Which in this country in the sphere of horseracing we have been fortunate to witness over the years partnerships of brilliance too numerous to mention here. BUT to ensure that this be allowed to continue for the future New Reform now is vital.
